William G. Fiedler

DEDICATION

It is interesting to note that Mr. Fiedler graduated from our school in 1918 and from Union Hill High School in 1922. Following this he attended Newark State Normal School and then New York University, where the degree of Bachelor of Science, (cum laude) was conferred. In 1933 he received his Master of Arts degree from Teachers College, Columbia University. For the past 29 years he has been at Washington School.

Mr. Fiedler is well known for his work of a civic nature and among the needy of North Hudson. He has been Scoutmaster and Camp Director and has been active in Salvation Army, Red Cross, Blood Bank, Civilian Defense, Ration Board to name but a few activities. He is a past president of the Union City Rotary Club, a Life Member of the PTA and an Elder in Grove Reformed Church.

With all this, he is not too busy to listen to our problems. He is our friend.
